

GUILFORD WATER AUTHORITY
FIRE HYDRANT FLUSHING and MAINTENANCE PROGRAM

April 29, 2019 THRU June 7, 2019

FLUSHING HOURS ARE 8:00 AM TO 4:00 PM

Customers may experience pressure fluctuations during the flushing process. Should you experience any long term pressure loss or discoloration, taste, or odor problems in the course of this process, please contact our office at 717-263-2813. If possible, please try to limit water usage (especially laundering) between the hours listed above.
