

# Norlo Park Foundation

Spring 2020

Dear Guilford Township Resident,

Spring is nearly upon us and we are gearing up for another very active year at our beautiful Norlo Park. Reservations are rapidly filling the schedule for many of our amenities.

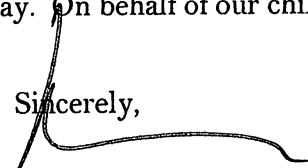

We are very proud of our beautiful park. Norlo Park exists today from many contributing factors. Things like grants, volunteers, hard work and donors such as yourselves.

The Norlo Park Foundation was created 7 years ago to ensure the continued success and beauty of the park for generations to come. We look forward to the possibility of our grandchildren and great grandchildren being able to enjoy the beautiful Norlo Park as we have.

To date, after 7 years of contributions we have built this foundation to nearly \$224,000. This is a great start. We have appreciated contributions of all different sizes and many different sources. We are still short of our goal of \$2,000,000 with only two years left on the challenge. I believe with the support of all of our residents and the businesses in Guilford Township this is a very attainable goal. If every resident contributed only \$6 per month we would exceed our goal, and that does not even account for any business contributions.

Our committed resolve is to provide a venue that supports healthy lifestyle opportunities for our community, a place that supports safety, physical activity and fellowship in a beautiful setting. A place that draws people together building wonderful memories, both for today and generations to come. Please consider sending your donation today. On behalf of our children, youth, and families of all ages, I extend my heartfelt thanks.

Sincerely,

  
Don Clapper  
Chairman
