

# Norlo Park Foundation

Spring 2019

Dear Guilford Township Resident,

Spring is nearly upon us and we are gearing up for another very active year at our beautiful Norlo Park. Reservations are rapidly filling the schedule for many of our amenities.

We are very proud of our beautiful park. Norlo Park exists today from many contributing factors. Things like grants, volunteers, hard work and donors such as yourselves.

The Norlo Park Foundation was created 6 years ago to ensure the continued success and beauty of the park for generations to come. I look forward to the possibility of my grandchildren and great grandchildren someday being able to enjoy the park as well. To this cause, I work hard to build the Foundation to a level ensuring that possibility.

To date, after 6 years of contributions we have built this foundation to nearly \$211,000.00. This is a great start. We have appreciated contributions of all different sizes and many different sources.

We have received over (200) contributions of up to \$50.00. There have been nearly (120) between \$50.00 and \$500.00, (11) between \$500.00 and \$1,000.00, (13) between \$1,000.00 and \$5,000.00, (4) between \$5,000.00 and \$10,000.00, and (1) contribution over \$10,000.00. All of these donations and donors are greatly appreciated, and we thank you.

I am setting a goal of reaching \$2,000,000.00 within the next 3 years. This is an achievable goal with contributors like yourself that desire to ensure Norlo Park's vitality for many future generations.

Our new website is still under construction and evolving. Please stay tuned we will soon have our Foundation information available there. Our target amount of \$2,000,000.00 and the current updated growing balance will be available to keep us all encouraged as we strive to meet this goal.

Our committed resolve is to provide a venue that supports healthy lifestyle opportunities for our community, a place that supports safety, physical activity and fellowship in a beautiful setting. A place that draws people together building wonderful memories, both for today and generations to come. Please consider sending your donation today. On behalf of our children, youth, and families of all ages, I extend my heartfelt thanks.

Your tax deductible contribution can be made to Norlo Park Foundation 115 Spring Valley Rd. Chambersburg, PA 17202.

Please contact me if you would like more information regarding the Foundation or for information on how you can make provisions through your will or life insurance to the Norlo Park Foundation.

Sincerely,

Don Clapper  
Chairman
